

## Skyward Mobile Access App for Family Access

A **Skyward Mobile Access** app is now available for **FREE** from the iTunes Store, Google Play Store, and the Amazon App Store. This app will give parents the ability to see their child's grades, attendance, and food service records on their mobile phone or other mobile device.

### Instructions:

1. Download the app from the appropriate store onto your device for **FREE**.
2. Set a 4 digit passcode. You will enter this code each time you access the app, so be sure it is a code that is easy for you to remember.
3. Choose **Add an Account**.
4. Choose **By School District** and search for **Colville**.
5. Select **Colville School District**.
6. Choose **School Management**.
7. Enter your Family Access Login and Password. You can optionally give this account a Description, such as "Family Access." **Click on Save**.
8. Select the **Family Access** module.

\*Please note that the login and password credentials are saved on the device, hence the need for the passcode created above.
